

Pecineaga commune

is situated in the South-east part of the country ,at 43 km from Constanta and 19 km from Mangalia.The neighbours are:-on the east Dulcesti village,on the north-Mosneni village,on the South-East –Vanatori village,on the West Amzacea commune.The commune includes Pecineaga and Vanatori village.

The commune Turkish name was Gherengic or Gheringic(meaning “don’t get close ,bride)and comes from turkish legend.The old inhabitants used to be Turks and Tartars,the settlement being mentioned in 1857 by the presence of some Crimean Tartars.In 1923 ,its name was changed in Pecineaga.The preponderant Turkish origin inhabitants diminish in number in time ,being replaced by several Romanian colonization waves.

The Town Hall was established in 1882 and the building was rebuilt in 1926

The community Cultural centre ,built in 1955 also includes a library with 6.200volumes

The first primary school was built in 1893. Later on as the number of inhabitants increased, due to an important colonization wave, there was built the second edifice for school with 2 classrooms in 1930. A new school with 5 classrooms, including 3 labs was opened in 1964. In the past, the Tartars in the commune used to have a school under the care of the mosque. Now the education structure includes :1 primary school, 1 secondary school, a kindergarden in Pecineaga village and a primary school in Vanatori village. The total staff number is 30 persons. Since 2002, Vanatori village has also a kindergarden fit up PHARE funds.
